

COVID-19 VACCINATION ELIGIBILITY UPDATE

Individuals who live or work in Orange County, California are now eligible to receive the COVID-19 Vaccination. They must be **65 or older.**

Appointments are required.

I am recommending the following link to confirm your eligibility and securing an appointment:

<https://covid19.othena.com/patient-registration/agreement>

Follow the instructions:

- Click the box agreeing your information is correct
- Answer the 3 questions
- Register (Save your Password)
- Click: Submit
- Bookmark the link as instructed for future access

Currently, appointment availability is pending.

Be sure to check in regularly using your Username and Password to secure an appointment.

Good luck and continue to stay safe by following all the guidelines.

Gordon C. Gunn, M.D.
